Technical Fact Sheet

NAME:

CITRUS SCENTED FRICTIONLESS PRESOAK (HP-86)

DESCRIPTION:

A truly unique, dilutable detergent concentrate specifically designed for use in today's new, high tech "touchless" car washes.

BENEFITS:

Fast Acting: An optimum blend of foaming agents and safe non-toxic and non-corrosive acids cut through and loosen stubborn road film. It is phosphate free.

Safe: This break-through technology of a new and effective acid is much safer to handle and use than any other conventional acid currently being used in the industry.

Hard Water Compatible: The cleaning agents are compatible with hard water minerals.

EcoLogo[®] Certified: In order to promote the use of more environmentally responsible products and services, the Environmental Choice[®] Program was established in 1988. The Environmental Choice[®] Program is Canada's only national and comprehensive eco-labeling program. The **EcoLogo[®]** is the recognized seal of approval of the Environmental Choice[®] Program.

PACKAGING:

A 5-gallon plastic carboy.

DILUTION:

Direct Feed: Apply 1 to 2 ounces (29.5-59ml) of product per vehicle.

NOTE: Consult your local Turtle Wax distributor for complete information on the wide range of dilution options for this product. Actual dilution or chemical usage may vary based on desired results.
